## **DANCE CONNECTIONS CLUB**

Temple Emanu-El is located on the northeast corner of Hillcrest Rd. and Northwest Hwy. It is WEST of Central Expwy. (Hwy. 75). If you are traveling Hwy. 75, take the Northwest Hwy. WEST exit. Hillcrest is not very far...just past the Sparkman-Hillcrest Cemetery. Turn right on Hillcrest, and immediately right again into Temple Emanu-El's parking lot.

If you are coming via North Dallas Tollway, exit Northwest Hwy., and go EAST to Hillcrest. Turn left on Hillcrest, and enter Temple Emanu-El immediately on the right.

Our dance will be held at TOBIAN AUDITORIUM which is on the south end of the building.

There are a few **House Rules** that we are asked to observe:

There is a no-smoking policy throughout the building. We are asked to comply with Temple's dietary food restrictions of **NO PORK or SHELLFISH** products being brought into the building or served to guests. **They further request that meat and milk products not be served on the same dish** such as no cheese on a meat sandwich or no meat on a cheese pizza, etc.

You are welcome to bring snacks for your table, but please keep the *House Rules* in mind when determining what you would like to bring.

**Water and ice will be provided on each table**, and you may refill your pitchers during the evening if you choose.

**You may BYOB** when we dance at this location, but please bring your own set-ups as we are not permitted to sell beverages.

*Thank you, and we look forward to seeing you there.*
